04

Online, On Campus and blended mode of study.

We prepare students for the future, not for the past

Level-3

FOUNDATION IN BUSINESS

Establish a Solid Foundation for a Career in Business

ABOUT THE PROGRAM

Level 3 business foundation course from ASTI helps you improve your comprehension of business difficulties, ability to analyze management issues, and ability to come up with effective solutions. This program from ASTI introduces you to the fundamental ideas that are crucial to conceptualizing how businesses operate so that you will stand out with your critically developed understanding of the crucial skills required to thrive in the business world if you choose to pursue higher education or join a company.

ADMISSIONS OPEN – 2023

Pathway to Bachelors Degree

About Us

ASTI Academy, established in 1995, is the only Technical Academy amidst 1000 other Institutes in Dubai, offering globally bench- marked technical education programs ranging from Level-2 to Level-6 respectively, recognized by TVET, NQC, Knowledge and Human Development Authority (KHDA) - Government of Dubai, Government of UK, and multiple international bodies. ASTI focuses on path-breaking innovations in multiple disciplines like Engineering, Management, IT - Computer Networking, Teachers' training, and Psychology. As we are conducting the vocational qualification our students are being trained in a practically oriented way. We make sure that our students are being given guidance and support throughout the time of their program with us. We do provide the utmost opportunity for our students to study in the well full-fledged and supportive learning environment to reach their ultimate goals in a comprehensive manner.

Transition your way into University right after 10th Grade!
